

# CHIROTOUCH EHR

# EXTENDED PROFILE

## OVERVIEW

ChiroTouch EHR provides the chiropractic industry with a suite of tools targeted toward automating operations and improving patient care.

ChiroTouch manages the entire patient workflow from registration through to tracking and managing a patient's pain and recovery. A series of purpose-built applications manage new patients, visits, billing, outcome assessments, and treatment integration with Medicare insurance. Assessment data can be captured on either a desktop computer or tablet and mobile device either in the office or externally and allows practice professionals to build narratives of the patient's condition, create reports and recommend treatment. Patient registration and assessment can be completed quickly in the waiting room before treatment.

ChiroTouch also has custom templates for chiropractors, along with image management, dynamic SOAP notes, and real-time patient flow with room management capabilities. It provides lab integration and wireless support.

ChiroTouch EHR is installed on the user's premises and can be accessed on desktops and mobile devices.

## FEATURE OVERVIEW

- ✓ Patient Demographics
- ✓ Patient Portal
- ✓ Scheduling
- ✓ Appointment Management
- ✓ Billing Management
- ✓ Medical Templates
- ✓ Document Management
- ✓ EM Coding
- ✓ Patient History
- ✓ Reporting and Analytics
- ✓ Voice Recognition
- ✓ Patient History / EMR
- ✓ E&M Coding
- ✓ Reporting / Analytics

## SOFTWARE SCREENSHOTS

The screenshot displays the ChiroTouch software interface. At the top left is the ChiroTouch logo and the text "practice management software". At the top right, it says "Version: 1.1". The main interface is divided into two panels. The left panel, titled "Patients", contains a list of patients: "\*Andrews, Charlene - PHP (1364)" and "Hoskins, Aaron - PHP (1188)". The right panel, titled "Patient Information", displays details for the selected patient: "Name: Charlene M \*Andrews", "Case Type: PHP", and "Acct #: 1364". To the right of this information is an icon of a person sitting at a desk with a clock. Below the patient information, it shows visit details: "First Visit: 2/25/11, 3:30 PM", "Last Visit: 3/30/17, 8:00 AM", and "Next Visit: 4/4/17, 8:00 AM". It also lists "Scheduled:", "Provider:", and "Purpose:". A blue bar indicates "1 form to be completed". Below this, a table shows the form "Back Bournemouth Questionnaire" with a checkmark in the completion column. At the bottom, there are three buttons: "Add Patient and Forms", "Add Forms to Selected Patient", and "Begin".

**chirotouch** Version: 1.1
