

# DRCHRONO EHR EXTENDED PROFILE

## OVERVIEW

DrChrono is an all-in-one EHR, practice management, and billing solution for all sizes of medical practice. DrChrono EHR features an easy-to-use API for medics and patients alike.

DrChrono EHR emphasizes easy communication between patients and healthcare providers, offering automatically sent emails/texts and phone appointment reminders, and a mobile app so that patients can view and check their own records on the go, users can also contact their clinician directly for checking and scheduling all upcoming appointments. All communication via the DrChrono EHR is secure and meets HIPAA standards.

Other DrChrono features include a medical billing and revenue cycle management module. If you select the Apollo Plus optionality the billing will be done for you once the chart is complete. DrChrono also helps to customize clinical workflow, allowing medics to order and then view labs and prescriptions more efficiently than a paper-based system.

DrChrono EHR offers online training sessions and step-by-step guides through all the features available on the platform, from ePrescribing to applying this EHR so that it is certified as Meaningful Use. There is the option to buy in a dedicated accounts manager who will handle your billing and use of the software; alternatively, users can opt to use the DrChrono online help center.

## WHAT IS DRCHRONO EHR SOFTWARE?

DrChrono is an EHR (electronic health records) software that is able to handle practice management, medical billing, as well as electronic medical records.

## HOW MUCH DOES DRCHRONO COST?

DrChrono has four levels of pricing plan, these are Prometheus, Hippocrates, Apollo, and Apollo Plus. They offer different levels of EHR features and work on a pay-per-provider basis with options to add

additional features for as little as \$20 per provider per month.

## SOFTWARE SCREENSHOTS

The screenshot shows a web browser window with the URL [https://stevejoe123.drchrono.com/clinical\\_note/edit/32836184/](https://stevejoe123.drchrono.com/clinical_note/edit/32836184/). The page title is "Edit Clinical Note | drchrono". The user is logged in as "Steve Joe" (stevejoe123) and has an "Upgrade my Plan" button. The navigation menu includes "Schedule", "Clinical", "Patients", "Reports", "Billing", "Account", and "Help". A search bar and a menu icon are also present.

The main content area has three tabs: "H&P", "SOAP", and "ADDITIONAL". The "ADDITIONAL" tab is active. On the left, there is a sidebar with a "View Complete Note" button and a list of sections: "onpatient / Check-In", "CC / History of Present Illness" (highlighted), "Med / Fam / Social History", "Medications & Allergies", "Review of Systems", "Physical Exam", "Assessment", "Plan", and "Billing".

The main content area displays patient information for "Daniel Kivatinos" (Male | 36 | 03/20/1980 | KIDA000005) and the date "Steve Joe | 07/12/2016". A text input field contains the word "Pain". There are buttons for "View Appointment", "Quick History", and "Copy Previous Note".

Below the patient information, there are buttons for "Vitals", "Print section", and "Fax section".

The bottom section contains a table with four rows, each with a label, a selection field, and a comment field:

Label	Selection Field	Comment Field
